

DAY 28

SUNDAY,
FEBRUARY 26

"Every revival in history seems to be the result of a few people becoming so hungry for God that they wanted Him more than oxygen. Those who have such hunger will not be denied. It's time to seek a revival that becomes the most famous address in the world. It's time to seek a move of God that won't quit moving." —Rick Joyner

"Draw near to God, and he will draw near to you. Cleanse your hands, you sinners, and purify your hearts, you double-minded." James 4:8

TODAY'S DEVOTIONAL:

We have the promise of knowing when we come to the Lord, he will come near to us. If we pursue him, he can be found. It doesn't happen when we ignore sin and overlook evil; instead it comes when God's people put aside the things that got them into the mess they are in and pursue after God. Just think what could happen if pastors, church leaders, and believers took seriously this promise and actually pursued the God who can and wants to be found! Just imagine how God could move in our city and in our neighborhoods and at our kids schools if we turn from our sin and come near to the Lord! We must pray and ask that God would lead the way through us, that revival would begin in our hearts, in our homes, and in our churches. What does this look like for you, personally? What are your everyday rhythms that are actually opportunities of eternal significance?

TODAY'S PRAYER FOR GOD'S PEOPLE:

Lord, I pray for your people to turn from their sin and wash their hands and come near to God. Thank you for the promise that when we come to you, you will come near to us. I pray your people would experience nearness and closeness and that taste of your presence would lead to revival that spreads all across our city and leads a movement for the nation.

TODAY'S PRAYER FOR THE PEOPLE ON YOUR LIST:

Lord, I pray for my list of those who don't know you. I pray they would experience conviction of their sin and they would turn away from evil and turn to you. May they experience the nearness that comes through forgiveness and cleansing of sin. I pray it would lead to not only themselves, but their whole households being saved.
